The President of the Board of Education of the School District is hereby authorized to execute by manual or facsimile signature on behalf of the School District, all serial bonds issued pursuant to this bond resolution, and all bond anticipation notes issued in anticipation of the issuance of such serial bonds, and the School District Clerk is hereby authorized to impress the seal of the School District (or to have imprinted a facsimile thereof) on all such serial bonds and all such bond anticipation notes and to attest such seal. The validity of the serial bonds authorized herein, and of bond anticipation notes issued in anticipation of the issuance of such serial bonds, may be contested only if such obligations are authorized for an object or purpose, or class of object or purpose, for which the School District is not authorized to expend money, or the provisions of law, which should have been complied with as of the date of the publication of this bond resolution, were not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or if such obligations were authorized in violation of the provisions of the Constitution of the State of New York.

Section 6. The faith and credit of the School District are hereby and shall be irrevocably pledged for the punctual payment of the principal of and interest on all obligations authorized and issued pursuant to this bond resolution as the same shall become due and payable.

It is hereby determined by the Board of Education of the School District that the Project will not have significant effect on the environment.

Section 8. The School District hereby covenants for the benefit of the holders of such obligations that it will not make any use of the proceeds of such obligations, any funds reasonably expected to be used to pay the principal of or interest on such obligations or any other funds of the School District, and will not make any use of the Project, which would cause the interest on such obligations to become subject to federal income taxation under the Internal Revenue Code of 1986, as amended (the "Code") (except for the federal alternative minimum tax imposed on corporations by Section 55 of the Code), or subject the School District to any penalties under Section 148 of the Code, and that it will not take any action or omit to take any action with respect to such obligations, the proceeds thereof or the Project financed thereby, if such action or omission would cause the interest on such obligations to become subject to federal income taxation under the Code (except for the federal alternative minimum tax imposed on corporations by Section 55 of the Code), or subject the School District to any penalties under Section 148 of the Code. The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of the serial bonds authorized herein or any other provision hereof, until the date which is sixty (60) days after the final maturity date or earlier prior redemption date thereof.
