

7th Grade

3rd Quarter

Build an Abstract Line Drawing

By Andrew Jerabek

Plushies
By Hanna Ashley
and Vanessa
Babcock

Projects Represented:

Build an Abstract Line Drawing - Beginning with a square post-it note, students extend and expand abstract designs to create unique drawings

Plushies - uniquely designed and hand-sewn felt sculptures

Clay Masks - Using a slab and drape method, students design, build and glaze clay masks

Charles Demuth Inspired Squares - Abstract studies based on the painting "I Saw the Figure Five in Gold". Colored pencils on paper

Book Covers - Students designed a book cover for an imaginary book that they had written
