Superintendent's Report: Opening of School Year: Interim Superintendent Schaffer noted how good it was to have the school campus back with athletes, staff in the buildings and teachers setting up their classrooms. Orientation was also being held this same day with a small group of new teachers. Interim Superintendent Schaffer also reported that opening day for students will be like it was back in 2019. There are no mandates by the CDC, New York State or Tioga County at this time. **Summer Recap:** Interim Superintendent Schaffer reported that 400 kids in some part took advantage of summer enrichment throughout the 3 schools and at BOCES. Bussing, in limited capacity, and food was provided to all participants. Mr. Rodgers, Elementary School Principal, reported on the summer program offered at Nathan T. Hall Elementary. The 2-week program offered fun enrichment classes along with reading, writing and math. There were approximately 105 students. Meals were provided. Discussions followed. Mr. Asfoury, Middle School Principal, reported there were approximately 60 students per week who attended the MS program. This enrichment program was offered to all in grades 4-7 and Family ID was used for enrollment. Mr. Mertson, High School Principal, reported that most students who were eligible for summer school to earn back credit did so through summer school at Whitney Point and bussing was provided from the High School. There were 9 sports camps during the summer and the weight room was open 4 hours per day, 4 days a week for strength and conditioning overseen by the athletic trainer and coaches. 8th grade orientation was well attended with chrome books handed out to those in attendance and the students had a chance to explore the school and meet their teachers. Mr. Mertson also spoke about athletics with a few highlights; there are 3 levels of football with 20/25 kids in each level, varsity girls' soccer was asked to an invite only tournament and the Bob Green Invitational was already seeing schools signing up for the October 6th date. Discussions followed. Also noted that select 6-8 grade students were able to attend the summer STEAM Academy at BOCES and transportation was provided. **Capital Project:** Interim Superintendent Schaffer asked the board to consider looking at a December referendum for the next project. Ji Katchuk and Interim Superintendent Schaffer explained how it would work and the timeline. Discussion followed. The Board will receive a scope of the projects for review. The largest portion of the project will be roofing, followed by blacktopping throughout the District. Discussions followed (i.e., removing lockers from the basement, a fieldhouse, etc.). Interim Superintendent received the boards okay to set up a meeting to see about a December referendum.

Motion by S. Watson, seconded by J. Phillips, to appoint Karen Umiker Clerk Pro Tem for said meeting.
