The agreement formed collectively by this paragraph and the Commitment shall be the School District’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet the costs the School District would be required to incur to perform thereunder. The President of the Board of Education of the School District is further authorized and directed to establish procedures in order to ensure compliance by the School District with its continuing disclosure agreement, including the timely provision of information and notices. Prior to making any filing in accordance with the agreement or providing notice of the occurrence of any material event, the President of the Board of Education of the School District shall consult with, as appropriate, the School District attorney and bond counsel or other qualified independent special counsel to the School District, and shall be entitled to rely upon any legal advice provided by the School District attorney and such bond counsel or other qualified independent special counsel in determining whether a filing should be made.
