Section 9. For the benefit of the holders and beneficial owners from time to time of the serial bonds authorized herein, and of bond anticipation notes issued in anticipation of the issuance of such serial bonds, the School District agrees, in accordance with and as an obligated person with respect to such obligations under, Rule 15c2-12 (the "Rule") promulgated by the Securities Exchange Commission pursuant to the Securities Exchange Act of 1934, to provide or cause to be provided such financial information and operating data, financial statements and notices, in such manner as may be required for purposes of the Rule. In order to describe and specify certain terms of the School District's continuing disclosure agreement for that purpose, and thereby implement that agreement, including provisions for enforcement, amendment and termination, the President of the Board of Education of the School District is authorized and directed to sign and deliver, in the name and on behalf of the School District, the commitment authorized by subsection 6(c) of the Rule (the "Commitment"), to be placed on file with the School District Clerk, and which shall constitute the continuing disclosure agreement made by the School District for the benefit of holders and beneficial owners of the obligations authorized herein in accordance with the Rule, with any changes or amendments that are not inconsistent with this bond resolution and not substantially adverse to the School District and that are approved by the President of the Board of Education on behalf of the School District, all of which shall be conclusively evidenced by the signing of the Commitment or amendments thereto. The agreement formed collectively by this paragraph and the Commitment shall be the School District's continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet the costs the School District would be required to incur to perform thereunder. The President of the Board of Education of the School District is further authorized and directed to establish procedures in order to ensure compliance by the School District with its continuing disclosure agreement, including the timely provision of information and notices. Prior to making any filing in accordance with the agreement or providing notice of the occurrence of any material event, the President of the Board of Education of the School District shall consult with, as appropriate, the School District attorney and bond counsel or other qualified independent special counsel to the School District, and shall be entitled to rely upon any legal advice provided by the School District attorney and such bond counsel or other qualified independent special counsel in determining whether a filing should be made.

Section 10. This bond resolution shall take effect immediately upon its adoption by the Board of Education of the School District.
