## NVHS senior creates outdoor classroom

Newark Valley High School senior Hannah Holt worked over the summer to build an outdoor classroom for Newark Valley High School. The outdoor classroom has 13 benches to honor Newark Valley alumni as well as a whiteboard.

Holt is also a part of the New Visions Education Academy. She worked on this project to earn her Girl Scout Gold Award. Holt previously completed the Bronze and Silver Awards and is currently an Ambassador Scout. The Gold Award is the highest achievement for a Girl Scout.

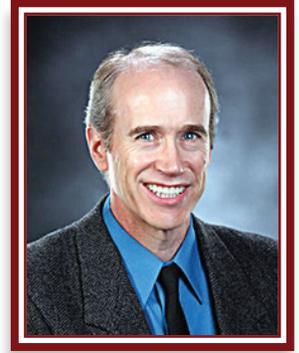

## BOCES Tech Academy

Cameron Wheeland an 8<sup>th</sup> grader from Newark Valley visited the BOCES Tech Academy 9 on March 1 to learn about the program. Eric Saeger, Drawing Design and Production teacher, shared about the robotics and scratch programming that the class is currently learning about.

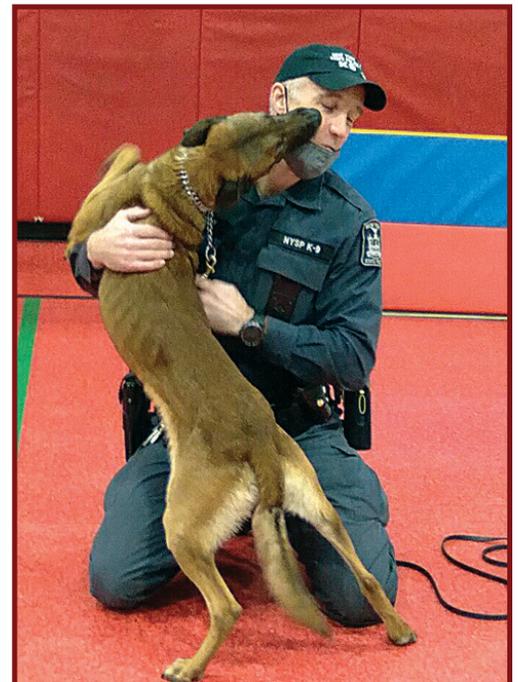

## NVHS students hear collegiate guest lecturer

Students in Mr. Cornell's 9th-grade Earth Science class had a wonderful opportunity to hear about research conducted by guest lecturer Dr. Robert Darling, SUNY Cortland Distinguished Teaching Professor. Darling spoke about his research on tiny mineral inclusions in Adirondack metamorphic rocks. One piece of his research was published in the world-renowned scientific journal, Science. This research directly corresponds with Regents content, and more importantly, allowed students to listen and speak with an actual scientist conducting research, a rare opportunity. A big thank you to Dr. Darling for volunteering his time and for providing this rewarding experience for Newark Valley students and hopefully, future scientists.

## Students get a K-9 visitor

Recently 3rd graders at Nathan T. Hall Elementary School read a story called "Officer Mike and Aero" about a police officer who had a K-9 dog. Afterward, School Resource Officer, Mark Driscoll, visited our classrooms and talked about his career as part of the Broome County Sheriff's Office. He talked about how he became a police officer and answered many questions from our third graders. He then arranged a visit by Trooper Kressley and his dog Juna. The children heard about what kinds of things a trooper does and what special abilities his dog was trained to perform. The students made some great connections between the fictional story they read and real-life experiences with members of law enforcement. We want to thank both SRO Driscoll and Trooper

## BEAUTY AND THE BEAST

The Valley Masquers presented Beauty and the Beast at Newark Valley High School on Jan. 28 – 29.

# NVMS students raise money for a good cause

On March 14, NVMS had their (almost) annual St. Baldrick's and Pi Day celebration. In the weeks leading up to the celebration, students donated money to Brody Hines' St. Baldrick's Day campaign. Each homeroom tried

to raise the most money to earn the prize of shaving one of their teacher's heads. The winning homerooms were: Mrs. Kranz's class, Ms. Hager's class, Mrs. Rubitski's homeroom, and Mr. Hardenstine's homeroom. In honor

of Pi Day (3/14/22), students also had the opportunity to throw a shaving cream pie at a teacher with a 25 cent donation. In total, the middle school raised over \$1,000.

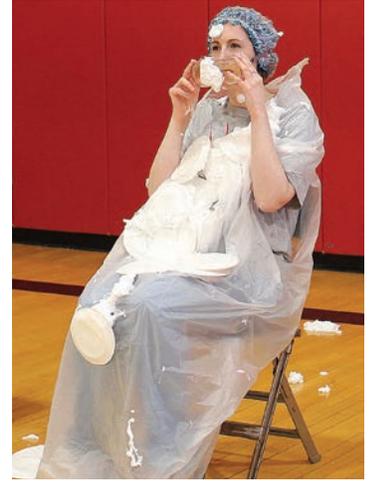

4th grade teacher, Jessica Schappert

7th grade Math teacher, Ted Hardenstine

6th grade Social Studies teacher, Michelle Rubitski

7th grade Science teacher, Dr. Ashley Frantellizzi

7th grade teacher, Chrissy Barnes

4th grade teacher, Kelly Johnson

5th grade teacher, Lindsey Tomazin

5th grade teacher, Kirstie Hardenstine

5th grade teacher, Jill VanDeMark

5th grade teacher, Shelby Hager

Special Education teacher, Matt Fabrizio

6th grade Math teacher, Taylor Witman

Physical education teacher, Steve Fales gets his head shaved by Lola Amaro and Jacob Elliot

Dean of Students Brian Sherwood gets his head shaved by John Corey and Emilia French.

Leah Lansing throws a shaving cream "pie" at 6th grade social studies teacher, Michelle Rubitski as 7th grade Math teacher Ted Hardenstine looks on and the other teachers wait for their turn!

6th grade science teacher, Joe Lakin gets his head shaved by Faye Brown and Leland Houston.

# Newark Valley Pre-K and Kindergarten Registration

Registration for the 2022-23 school year for children who will be attending Pre-K & kindergarten will be held the week of March 21-25 from 9:30-3 p.m. daily. A registration packet may be obtained before registration week at our NV website, [www.nvcs.stier.org](http://www.nvcs.stier.org) by scrolling down to find Nathan T. Hall Elementary and click on the picture. You will find the registration packet listed in the upper right corner of the page. You can also pick up a packet at the Nathan T. Hall Elementary Office. Please bring the completed packet and other paperwork with you to register your child.

Children turning five years old for kindergarten or four years old for pre-kindergarten on or before Dec. 1, 2022 are eligible to register.

Parents or guardians should bring their child's birth certificate, immunization record and two proofs of residency to register. Parents are reminded that New York State law requires written proof that all students have immunization against polio, measles, diphtheria, mumps, rubella, varicella (chicken pox) and hepatitis B or medical verification of any of the above illnesses.

**Please note:** Children currently attending our Pre-K program **do not need** to register for kindergarten.

Parents or guardians call the Nathan T. Hall Elementary Office at 642-3340 x2 if you have any questions. Registering your child during our registration week helps the school determine classes and transportation needs for the coming school year.

## Students compete in App challenge

This year we had 23 middle school students, ranging from 4<sup>th</sup> to 7<sup>th</sup> grade, competing in the APP Challenge. Students must code an original APP that encourages learning, create a short video commercial advertising their APP and present their idea to a panel of judges. We only had three weeks to complete all these tasks, to say the least these students worked extremely hard to complete all of the requirements. The top five finalists will be invited to an awards dinner ceremony at BOCES to compete for the best APP award!

*Paul Vice & Elijah Edgington created an APP called Brain Party*

*Nathan Sessions, Heaven Lindsay & Zach Klinge created an APP called School on the go*

*Faye Brown created an APP called TimmyVerse*

*Charlotte Vaughn, Haven Aylesworth, Lauralei Donegan created an APP called First Day Helper*

*Jack LaPorte, Nolan Dougherty & Malachi Slater created an APP called Learning Randomizer*

*Eleanor Escalante, Allie Laskowski & Michaela Daly created an APP called Better than Boring*

*Aidan Mele & Blake Simmons created an APP called Dash Math*

*Aviah Aylesworth, Rylan Nechwedowich, Myah Whitney & Ashley Lortscher created an APP called School Share*

*Tressa Middendorf & Elliyanna Terwilliger created an APP called State Charades*
