NEWARK VALLEY CENTRAL SCHOOL DISTRICT

NVMS sponsors tree for the “Lighting of the Green”

Newark Valley Middle School sponsored a tree for the Lighting of the Green on Dec. 12.

All students were supplied with a wooden star ornament and decorated them in their class. Teachers then walked their classes down to the village green to decorate the tree. It was a great way to show our support for our community and we hope to make it a yearly tradition.

Shawn Deer recognized as a Senator Akshar 'All-Star'

Congratulations to Shawn Deer, a Newark Valley senior recently recognized as an Akshar All Star.

Each month, state Senator Fred Akshar recognizes local students selected by their school districts in the 52nd Senate District who have shown great leadership, compassion, school spirit or improvement amongst their peers. Last school year, Akshar recognized 30 students across school districts in Broome, Tioga, Chenango and Delaware counties.

Deer participates in Broome-Tioga BOCES' New Visions Engineering program in the morning and returns in the afternoon to Newark Valley High school to complete his daily studies.

In his junior year, he was nominated by his high school teachers to attend the Boy's State Leadership Program. Deer also attended the Trinity Leadership Program where he currently serves as a district ambassador. He is an active member of the Tioga Ridge Runners Snowmobile

Club and devotes many hours to clearing snowmobile trails for the winter months. In addition to his rigorous school schedule, he has also been employed for more than two years with Johnson Pools and Spas. In his free time, he enjoys hockey and golf.

Deer has definitely set a solid foundation for himself that will propel him into a successful future. His nomination form notes that words best used to describe Shawn include "smart," "personable," "go getter," and "outstanding student."

"This is an amazing opportunity for us to meet and recognize outstanding young people doing wonderful things in their community and schools throughout the 52nd Senate District," Akshar said. "Whether they're in second grade or a senior in high school, we want to bring attention to those students who are making a difference in their own lives and in the lives of those around them. They inspire us all by showing us the good that exists in our communities."

NTH students get moving in physical education classes

Students at Nathan T. Hall Elementary School have been getting active in physical education classes by doing yoga inside and participating in snowshoeing outside. These socially distanced activities are a great way for these kids to stretch and get moving.

'Sharing Parade' at NTH

Students at Nathan T. Hall Elementary School participated in a mini "sharing parade" in which they collected food items for those in need and made and decorated cards for their friends and family. After making cards, the students watched "The Nutcracker."

Newark Valley High School inducts 26 new Honor Society members

We were unable to do our traditional tapping this year, but all 26 new members of NHS have been “tapped.” We will be holding our induction ceremony later this month. Due to COVID restrictions, this will be a private event for the new inductees and officers only. We will be recording the induction for parents and families to watch at home. Please feel free to reach out and congratulate any of the following students:

The National Honor Society is an organization for high schoolers that promotes leadership, service, character and scholarship. There are more than one million students participating in NHS activities today in all 50 states and territories of the United States. The National Honor Society started in 1921 by an association of principals. It was the first honor society created across the country. At almost 100 years old, the NHS is one of the most well-known educational and leadership groups. Requirements to get into NHS are a 3.5 GPA, leadership in seven organizations within the school or community, accumulation of 40 hours of community service, and a positive character evaluation by teachers.

Nathan T. Hall pre-K & kindergarten registration for the 2021-2022 school year

Registration will be held the week of March 8-12 at Nathan T. Hall Elementary School.

Children who will be five years old on or before December 1, 2021 are eligible to enter Kindergarten. Children who will be four years old on or before December 1, 2021 are eligible to enter Pre-K.

Parents are asked to contact the Nathan T. Hall Elementary School office at 642-3340 x2 for more information regarding the registration process. You are encouraged to call early to find out how to register your child.

Parents or guardians need to provide their child's birth certificate, immunization record and two proofs of residency. Parents are reminded that New York State law requires written proof that all students have immunization against polio, measles, diphtheria, mumps, rubella, varicella (chicken pox) and hepatitis B or medical verification of any of the above illnesses.
