Parent Code of Conduct

- I understand and endorse the purpose of the Newark Valley Athletic Program.
- I will encourage my student-athlete to abide by all team, athletic, school, league, and Section IV regulations and “codes of conduct”. If s/he fails to live up to these standards, I will allow for accountability.
- I will model good sportsmanship by acknowledging and applauding the efforts of team members and opponents. I accept defeat graciously by congratulating the members of the opposing team on a game well played.
- I will support the team regardless of how much or little my child plays and regardless of the win-loss record of the team. I will praise the student-athletes in their attempts to become better as students, as athletes, and as people.
- I will encourage my child and teammates with positive statements. I understand that at every practice/game they are growing physically, emotionally, and developing character.

Code of Conduct for Newark Valley Athletes

Participation on an athletic team is a privilege extended to students as part of the education experience. Athletes are expected to maintain passing grades in all academic subjects and to abide by the Athletic and School District's Code of Conduct.

Athletes are required to attend a minimum of a 1/2 day of school in order to participate in practices or games on the same day.

Upon arrival at the school, the athlete is required to present valid written excuse to the secretary stating the reason for tardiness, early dismissal, or absence.

If the athlete does not present a valid excuse, he/she will not be able to participate that day.

Athletes can only be on school grounds during supervised activities and must remain in the team's designated area. There is a 15 minute rule of which coaches will be present to supervise allowing athletes to arrive 15 minutes before their activity and they must be off school grounds within 15 minutes following the activity. The 15 minute rule applies to any team activities - meetings, practices, games, bus trips, etc.

Athletes will take pride in their school and athletic facilities. Keep all locker rooms, practice and game areas clean.

Athletes will extend their pride by leaving areas their team uses clean when visiting other schools.

An athlete will dress in accordance to the "Dress Code" as outlined in the NVHS student passbook.

The following shall be included or excluded as stated:

** No cleats/ spikes in buildings or on buses.

** Athletes should have separate shoes for indoor and outdoor use.

** Outdoor shoes are not to be worn in the gym. ** Shirts and footwear are to be worn at all times.

** Appropriate hats and headband for the sport may be worn.

** Practice and game night attire will be determined by the coach and must be in accordance with the Athletic and High School dress code

Accidents and injuries that occur during practices and games are to be reported to the coach in charge when the incident occurs. If an athlete goes to a doctor or an emergency room for any reason, they must have a release allowing them to return to activity, or be released by athletic trainer.

Athletes are required to travel to and from all contests by school provided transportation. Upon the request of the parents and approval of the coach, an athlete may be allowed to ride home with their parent or an approved adult.

A transportation release form must be filled out by the parent for each request.

Athletes are expected to treat all teammates, coaches, opponents, officials, and fans with respect. At all times athletes are to act in accordance with "Dignity for All Students Act of 2010" as outlined in the student passbook.

All athletic practices and games are governed under the regulations of the Drug Free School Zone Law. Possession or use of drugs, alcohol, and tobacco is prohibited for all athletes. An infraction of this during the season will result in disciplinary action with the possibility of suspension of playing time/removal from the team.

Athletes are expected to follow the Team, Athletic, and School Code of Conduct at home and when a guest at another facility.

Your behavior is a reflection of your program, school, and community. Athletes who violate the team, athletic and/or district code of conduct will be subject to disciplinary actions by the coach, athletic director, vice principal, and/or superintendent.

Communication is a key element to any successful organization. If an athlete has a concern, he/she needs to be an advocate himself/herself by communicating with the coach.

Any athlete having outstanding equipment and/or uniforms CANNOT participate in ANY upcoming season's sports until all equipment/financial matters are taken care of.
