A message from our superintendent

Dear Newark Valley School Community,

It is with great pleasure and enthusiasm that I join Newark Valley as the Superintendent of Schools. As I step into this role, I am filled with a deep sense of responsibility towards providing the best possible education for our students and supporting our dedicated educators. I am truly honored and humbled to have been chosen for this position, and I understand the values and expectations that parents, staff, and the board of education have for their superintendent. It is my plan to build upon and enhance the future of the district, while honoring the pride and past traditions.

In the coming months, I will be working closely with our administrative team, teachers, parents, and community members to develop a shared vision for our district's future. I am committed to fostering open lines of communication and collaboration, as I firmly believe that positive change can only be achieved through collective effort.

I encourage all stakeholders to actively engage in our educational community. Your input, ideas, and feedback are invaluable in shaping our collective journey towards excellence. Together, we can create a school system that prepares our students for a future filled with endless possibilities. While serving as your Superintendent of

Schools, I plan to be accessible to all stakeholders and maintain an open-door communication policy. I encourage and welcome any questions, comments or concerns you have about our schools, and can be reached directly at tcalice@nvcs.stier.org or at 642-3221.

It is an exciting time for the Newark Valley Central School District, and I'm looking forward to the year ahead. I am truly excited to embark on this journey with all of you as we work together to ensure that our district remains a place where every student thrives, every teacher inspires, and every parent is proud.

Please accept my best wishes for a happy and healthy summer and a wonderful new school year.

Warmest regards,

Timothy M. Calice

Berghorn Twins at Top of Class of 2023

The Newark Valley Central School District's Valedictorian and Salutatorian duo was extra special this year! Twin sisters Karli Berghorn and Katie Berghorn are the Class of 2023's top two academic achievers, with Karli as Valedictorian and Katie as Salutatorian.

Karli, who is senior class president and participated in field hockey, National Honor Society, Student Council, and the New Visions Health Academy, will study nursing at St. John Fisher University.

Katie played field hockey, basketball, softball, and participated in jazz ensemble, symphonic band, Cardinal Chords, chorale, and National Honor Society. She will study math and continue playing field hockey at Houghton University.

We are so proud of these two promising young ladies. Congratulations to the Berghorn family on this amazing achievement!

Newark Valley Agriculture program continues to blossom

There's been lots of ag-tivity happening in Newark Valley lately! In May, seven of Newark Valley's Future Farmers of America (FFA) students attended the 98th Annual NYS FFA Convention in Buffalo along with Mrs. Palmer and Mr. Schweiger. The students participated in competitions, workshops, and tours. NV partnered with the Owego FFA to make this trip a reality, and the group shared a night of dinner and bowling with them on Friday. The kids competed in both Junior and Senior Quiz Bowl, toured dairy farms, a racetrack, and the Buffalo Bills Stadium. It was a truly fabulous experience for all involved!

Meanwhile, our community garden is in full bloom! This spring, the 7th grade agriculture class planted strawberries, tomatoes, peppers, cucumbers, squash, pumpkins, and potatoes. Great job, students!

OPEN HOUSE

Pre-kindergarten and kindergarten students and their parents are invited to an Open House at Nathan T. Hall Elementary School on **Wednesday, Sept. 6, 2023, from 1:30-2:30.**

This is a wonderful opportunity to make a connection and start the year on a positive note.

A welcome message from the NTH principal

As summer draws to an end and the calendar turns another page, we who work with children get more and more excited about the start of another school year. September is a wonderful time for children as well as the adults who chose the rewarding job of shaping the future by becoming educators.

I am very fortunate to work with such dedicated and caring individuals. We are excited for the children to come back to school and see how many of them read enough so that they can

have "Pizza with the Principal!"

Over 120 children attended our "Summer Fun and Learn" and it was great to see the kids. The teachers planned exciting and creative lessons and the children had a ball!

Our custodial staff has done their usual outstanding job making our school shine, working through a ton of construction, including getting a new roof on the entire building.

Please spend these last days of summer playing outside and reading

some good books but also begin preparing for the upcoming school year. It is also a good idea to get back into the routine of the school schedule and having your children get to bed earlier. Before we know it, that big yellow school bus will be coming to pick up the wonderful children that make our school the great place that it is.

Robert Rodgers,
NTH Principal

PARENT/GUARDIAN CONSENT TO RELEASE ELIGIBILITY INFORMATION FOR FREE AND REDUCED PRICE MEALS

Dear Parent/Guardian:

If your child is eligible for free and reduced price meals, he/she also may be eligible for other benefits. To receive these benefits, you must provide written consent to permit school officials to give your name, address, and an indication that your household is eligible for free and reduced price meals, to representatives of certain programs. **Failure to sign a consent statement that will allow disclosure of this information will not affect your child's eligibility or participation in the school meals program.**

Some of the programs that may request names and eligibility information to be used to provide benefits, and for which parent/guardian consent is required, include: federal health insurance programs such as Medicaid or Children's Health Insurance program (CHIP), other federal programs, State programs, local health and education programs and other local activities. For example, the disclosure of children's eligibility for free and reduced price meals to determine eligibility for free text books, free band instruments, holiday baskets, school supplies, etc., or reduced fees for summer school or driver education programs, would require written consent by the child's parent/guardian.

If you wish to provide consent to release information contained in your child's free and reduced price meal application, to receive other benefits, please complete the attached consent statement.

Please call Rosa Shelp at 607-766-3926 if you have questions.

Vaccination requirements applicable to all students

Public Health Law §2164, as amended by Chapter 35 of the Laws of 2019, applies to students attending all schools as defined in Public Health Law §2164, including any public, private or parochial child caring center, day nursery, daycare agency, nursery school, kindergarten, elementary, intermediate or secondary schools. Public Health Law §2164, as amended by Chapter 35 of the Laws of 2019, prohibits a school from permitting any child to be admitted to such school, or to attend such school, in excess of 14 days without sufficient evidence that the child has received all age-appropriate required vaccinations. The 14 days may be extended where the student is transferring from out of state or from another country and can show a good faith effort to get the necessary evidence, or where the parent, guardian or any other person in a parental relationship can demonstrate that a child has received the first age-appropriate dose in each immunization series and that they have age appropriate scheduled appointments for follow-up doses to complete the immunization series in accordance with the CDC's Advisory Committee on Immunization Practices Recommended Immunization Schedules for Persons Aged 0 through 18.

Notice regarding student education records under 'FERPA'

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

- (1) The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- (2) The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate. Parents or eligible students may ask the school to amend a record that they believe is inaccurate. They should write the school principal, clearly identify the part of the record they want changed and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Newark Valley Central School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are Family Policy Compliance Officer, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

Family Educational Rights and Privacy Act (FERPA) explained

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that Newark Valley CSD, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Newark Valley CSD may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the Newark Valley CSD to include this type of information from your child's education records in certain school publications.

Examples include:

- A playbill showing your student's role in a drama production
- The annual yearbook
- Honor roll and other recognition lists
- Graduation programs
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, the New York State Education Law § 2-1 and two federal laws require school districts receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with student names, addresses and telephone listings – unless parents have advised the school district that they do not want their student's information disclosed without their prior written

consent. If you do not want Newark Valley CSD to disclose some or all directory information from your child's education records without your prior written consent, you must notify the district in writing within 30 days after the publication of this notice. Newark Valley CSD has designated the following information as directory information: [Note: Newark Valley CSD may, but does not have to, include all the information listed below.]

1. Student's name
2. Address
3. Telephone listing
4. Electronic mail address
5. Student's Image
6. Date and place of birth
7. Major field of study
8. Dates of attendance
9. Grade level
10. Participation in officially recognized activities and sports
11. Weight and height of members of athletic teams

Discipline code – student conduct

The Newark Valley Central School District Board of Education is committed to providing a safe and orderly school environment where students may receive, and district personnel may deliver, quality educational service without disruption or interference. Each school must be a positive forum in which students can express and explore different points of view in a peaceful and constructive manner.

The district has a long-standing set of expectations for conduct by students based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty, and integrity. This policy is intended to support and supplement the efforts of teachers to ensure effective instruction. Accordingly, the focus of the policy is on changing student behavior for the better, not merely punishing unacceptable or disruptive behavior.

The Board recognizes the need to clearly define expectation for acceptable behavior by students when on school property or attending a school function. To that end, the Board adopts this Student Conduct Policy.

I. Prohibited Student Conduct

The Board of Education expects all students to conduct themselves in an appropriate and civil manner, with proper regard for the rights and welfare of other students, district personnel and other members of the school community, and for the care of school facilities and equipment.

The best discipline is self-imposed, and students must learn to assume and accept responsibility for their own behavior, as well as the consequences of their misbehavior. District personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis “on the students’ ability to grown in self-discipline.

The Board recognizes the need to make its expectations for student conduct while on school property or engaged in a school function specific and clear. The rules of conduct listed below are intended to do that and focus on safety and respect for the rights and property of others. Students who will not accept responsibility for their own behavior and who violate these school rules will be required to accept the penalties for their conduct.

A student may be subject to disciplinary action, up to and including suspension from school, when they:

Newark Valley School District shall provide a free appropriate public education to each qualified disabled child who resides in the Newark Valley Central School District regardless of the nature or severity of the disability. Newark Valley Central School District shall educate each qualified disabled child with children who are not disabled to the maximum extent appropriate to the needs of the disabled child, and shall also ensure

A message from the transportation department

Dear Parents,

Everyone in the Transportation Department hopes you are having a safe summer! The beginning of the school year is just around the corner and everyone in the bus garage is gearing up for the opening.

There are a few things that we would like to share with you in preparation for the new school year. First and foremost, the safety of your children is our number one responsibility. The Newark Valley bus drivers do an outstanding job of transporting our students throughout our 143 square mile district. To help us ensure their safety we need your cooperation and assistance.

Please have your student at the bus stop 5 minutes prior to the pick up time. This is especially important at

the beginning of the school year. Sometime towards the end of August, those students riding the bus will receive a post card in the mail with the bus number and the approximate pick up/drop off times. Please keep in mind we may need to revise these times after school has started.

All students will be routed to the same AM/PM schedule they followed as of the last day of school for 2022/2023. Any changes will need to be called into the Transportation Department prior to the start of school (9/7/2023).

There will be no bus passes permitted (please see the attached for further information).

If, for whatever reason, your student will not be riding the bus on a certain day, please give us a call.

It is important that students understand and obey all of the bus rules. The rules are posted on each bus and the bus drivers will review these rules throughout the school year.

If you have any questions at any time during the school year, please call us at 607-642-8560. Have a wonderful remainder of your summer!

Sincerely,

Randy Zukowski
Director of Transportation

Bus changes/passes...

If you have moved: please contact the Elementary School (607-642-3340) to submit your change of address; they will notify the bus garage. The transportation department will then provide a new bus # and pick up and drop off time for your student.

Riding home with friends: We do not allow students to ride home with friends on different buses. You can imagine the chaos this creates for both the school and the drivers to keep track of where your child is.

Daily bus changes: Currently, we do not permit daily bus changes. Each student should always ride their regular bus to/from school. Our bus drivers do not accept notes from students/parents.

Alternate Sites: Alternate sites are permitted for childcare situations only (daycare, grandparents, other location, etc.). Each student is permitted a different pick up and drop off location IF it is a consistent schedule each week

(NOT an inconsistent change from day-to-day or calling to make changes last minute, or only for that day - these will not be permitted).

Emergencies: If you have an emergency that requires a bus change, please contact your child's school or the transportation department at 607-642-8560.

McKinney-Vento Homeless Act

The McKinney-Vento Act covers children and youth who don't have a fixed, adequate and regular nighttime residence, such as those living in an emergency or transitional shelter with friends or relatives due to loss of housing or economic hardship (also known as doubled up); in a motel, hotel or campground; in a car, bus or train station or another public place in an abandoned building or some other inadequate accommodations; or in temporary situations while awaiting foster care placement

They have several options to choose from:

- The school they went to when permanently housed (known as the school of origin)
- The last school they went to (also known as the school of origin)
- The school located in the attendance area where they are temporarily living (known as the local school) Students in temporary housing have the right to:

- Immediately enroll in school and attend classes: free transportation to the school of origin even if it is in another district, free transportation to the local school if transportation is provided to other students, special education services immediately if the student has a current IEP (even if the IEP itself is not available or if it is from another district)
- Participate in any school activity that is available to other students and get transportation to and from all before or after-school activities if it is provided to other students
- Free school meals without filling out an application

The Newark Valley Central School District McKinney-Vento Homeless Liaison is Timothy M. Calice, superintendent of schools, (607)642-3221

BMI reporting

District Office, 68 Wilson Creek Road, Newark Valley 13811. (607)642-3221 Fax (607)642-8821

As part of a required school health examination, a student is weighed, and his/her height is measured. These numbers are used to figure out the student's body mass index or 'BMI'. The BMI helps the doctor or nurse know if the student's weight is in a healthy range or is too high or too low. Recent changes to the New York State Education Law require that BMI and weight status groups be included as part of the student's school health examination. Our school district may be selected to take part in a survey by the New York State Department of Health. If our district is selected, we will be reporting to the New York State Department of Health information about our students' weight status groups. Only summary information is sent. No names and no information about individual students are sent. However, you may choose to have your child's information excluded from this survey report.

The information sent to the New York State Department of Health will help health officials develop programs that make it easier for children to be healthier. If you do not wish to have your child's weight status group information included as part of the Health Department's survey this year, please print and sign your name below and return this form to your school nurse by Sept. 30 of the current school year.

Welcome back from the Middle School

I hope all Middle School families are enjoying our summer vacation. We have been hard at work making sure the building is ready for our new school year to begin.

I want to send out a special welcome to our new 4th grade students who will be joining us in a few weeks. I am confident that this will be a smooth and positive transition. Parent Information Night for 4th graders will be held on September 5th from 4:30-5:30. We look forward to seeing you there.

First Day of Classes

The first day of school is September 7th. Our regular school day begins at 7:30 am and ends at 2:15 pm. There is a late bus available that leaves at 3:35 each day. Students will need a signed note from a parent/guardian to ride this late bus if they are staying for an afterschool activity.

Family Involvement

We want our families, as well as our students, to feel connected to the Middle School. Education is truly a team effort, and we appreciate and value parent/guardian support.

Medical

Please check to make sure that your child has the immunizations or physical required for school. These requirements are becoming stricter every year, and we do not want this to interfere with your child's education. Please contact the nurse's office if you have any questions.

Attendance

Lastly, please stress the importance of having good attendance with your child. We want all students to be as successful as possible, and regular attendance is a crucial part of that.

I hope everyone enjoys the last weeks of summer and I look forward to seeing students and families in September. I am looking forward to another great year!

Senior class parade

Celebrating the NVHS Class of 2023

Congratulations to the Newark Valley High School Class of 2023! We celebrated 90 esteemed graduates with an outdoor ceremony on Friday, June 23.

The ceremony included remarks by Principal Ed Mertson, Interim Superintendent Todd Schaffer, in addition to our valedictorian and salutatorian. This outstanding group of students was missing one special classmate, but his memory was present on graduation day. Broderick "Brody" Hines, who died earlier this year at age 17 after a courageous battle with medulloblastoma, was honored at the ceremony, as his sister Rosie took to the stage to collect his diploma.

We are so proud of their accomplishments and can't wait to see what's next for these Cardinals!

A message from the High School principal

Welcome Back! September 7th is almost here, and I can't wait to have our High School filled with students and the excitement of a new school year.

This summer we continued to build strong academic opportunities and support for our students. Although we may be a small school, students can take classes in Business, Technology, Art, Music, and Agriculture. We're still offering college credit courses through TC3 and SUNY Broome. And through BOCES Career and Technical Educational programs, the New Visions Academy, Visions Credit Union internships, and work experiences through the school's café, students have access to educational experiences that develop career-based skills. We will continue to support multiple programs to help our students be successful in school and become successful when they graduate.

I am also excited to introduce two new teachers. Meredith Meister will be teaching special education classes and Konstantina Lazaros is joining our staff as a Living Environment teacher. As with all of our staff, you can contact them through the District's website www.nvcs.stier.org.

I am excited to begin the new school year and to see what our students are going to do. The faculty and staff have worked hard to build a school that has valuable opportunities for our students, and I am looking forward to watching our students grow, succeed, and contribute to our communities.

See you September 7th!
